"At Stokes Wood Primary School the health and safety, safeguarding and promoting the welfare of all children is of paramount importance."

300 children and parents attended our Everybody's Reading Event on Thursday. The children performed, poems, songs and raps about character qualities, relating to the 6Rs. Families were able to take part in reading games and activities including a word hunt in the spooky woodland walk. There were hot dogs and a draw for a book for the lucky winners. Only a few prizes were claimed on the night so if you still have your ticket, check with Mr Hill to see if you are a winner. Thank you to all the staff who volunteered on the night and to everyone who came to support the event.
