"At Stokes Wood Primary School the health and safety, safeguarding and promoting the welfare of all children is of paramount importance."

The KS2 enjoyed a fantastic performance of the Little Princess on Tuesday. 4 actors performed the whole play with amazing scenery. Afterwards the Y5 children took part in a workshop where they experienced acting first hand as you can see in the picture.

Attendance prizes

As we continually remind everyone, good attendance at school is essential if your children are going to reach their full academic potential and achieve the best possible.

To reward good attendance, all children who attend every day each week, will be entered into a draw. Therefore if your child attends for 8 full weeks, he/she will be entered into the draw 8 times. At the end of each full term there will be a draw and the winner will receive £100 Halfords voucher towards a bike/scooter. There will be a draw at the end of each term.

Children who attend every day for the whole term, will continue to enjoy a session on the bouncy castle as a reward on the last day of each term.

Please respect personal space at the end of the day.

It has been brought to my notice that at the end of the day it can become very crowded at the classroom door as children are being delivered to parents' care.

Please respect the personal space of other parents and of the staff who are at the door and stand back.

If you wish to talk to a member of staff or the member of staff wishes to talk to you, I suggest it would be better to wait till most parents have left and then you can step into the class room so that you can hold the conversation away from other parents. (At the beginning of the day, this may not be possible but there is an opportunity to make an appointment if necessary.)

To help this further, we are going to trial Miss Yates' class entering and leaving by the door in the Y2 area which opens out on the other side by the ramp and steps.

I hope this will help both parents and staff feel more comfortable at the end and beginning of the day.

Football matches. These were the first competitions of the year and the teams did Stokes Wood proud not only in winning but in the way they played as a team and used their skills well. The girls lost in the semi-final having won 1 and lost 1. The boys drew, won and then lost narrowly. At Stokes Wood we win as a team and lose as a team...we don't blame individuals!! So well done. M of the M Zinedine Khadri.
