

Beginning: Monday 24th March

MATHS

We will be consolidating everything we have learnt on our learning journey to prepare for the Year 6 SATs. We will be completing an arithmetic paper and two reasoning papers a week, revising and marking as we go! This will prepare the children for their SATs assessments in May.

At home, please continue to ensure that children complete their Maths weekly skill homework and access Century nuggets to consolidate their learning.

ENGLISH

We will be consolidating everything we have learnt on our learning journey to prepare for the Year 6 SATs. We will be completing a reading paper, spelling paper and a grammar once a week, revising and marking as we go! This will prepare the children for their SATs assessments in May.

At home, please continue to ensure that children continue to read every day, practise their weekly spellings and complete a spelling story containing the Y6 grammar criteria. Additionally, children can access Century nuggets to consolidate their learning.

SCIENCE

In Science this unit, Year 6 will be learning about electricity. They will have a go at creating circuits, talking about components and understanding how electricity is measured. They will also be investigating different scenarios and putting their ideas to the test!

GEOGRAPHY

Year 6 will be learning about our Planet, including hemispheres and Time-zones. We will also be looking at our local geography and complete a walk around our area. We will focusing on the former Groby Road Hospital and its development over the years.

PE

Please make sure your child has suitable PE kit in school. They will need a plain blue t-shirt. Our PE days are Thursday and Friday.

CURRICULUM

RE – we will be focusing on religions within our local area.

PSHE - we will be exploring our mental wellbeing and what can improve or hinder our mental health.

Art – we will be exploring the work of Salvador Dali and creating our own surrealist collage!
