

STOKES WOOD
PRIMARY SCHOOL

Year 6

Welcome to Autumn 2

MATHS

Year 6 will be consolidating our learning throughout the year in preparation for SATs.
This half-term, we will be tackling Fractions, Decimals and Percentages.
We always give it 100%!

ENGLISH

- Year 6 will be writing a biography about the amazing scientist and mathematician Alhazen.
- We will also be writing more descriptive recounts later in the term.

SCIENCE

- Light
- How do we see? Year 6 will have a first-eye view of how light works and understand that it is not just carrots that help us see in the dark!

HISTORY

- Anglo Saxons Vs Early Islamic Civilisation
- Year 6 will examine and compare two early civilisations and how their innovations paved the way for our lives today.

PE

Monday: PE taught by Mrs. Freeman
Thursday: Swimming

CURRICULUM

- Art: Islamic art
- Computing: Using Scratch to develop our coding skills
- Music: How does music link us together?
- PSHE: Anti-Bullying
- RE: Islam

KEY DATES

Tuesday 16th December: Panto trip to DeMontfort Hall
