

STOKES WOOD
PRIMARY SCHOOL

Year 4

Welcome to Autumn 2

MATHS

To start off, we will be consolidating our knowledge of place value of numbers up to 10,000.

We will also learn about roman numerals, rounding and addition with exchanging.

ENGLISH

Our new writing units are based on the books 'Leon and the Place Between' and 'The Crown' with many opportunities for short burst writing to consolidate past learning.

SCIENCE

In Science, we are grouping and classifying plants and animals. We will also be doing a data collection linked to this around the school grounds.

HISTORY

In history, we will be exploring the Ancient Greek era including how long ago this was and how they lived.

PE

In PE, we will be developing our hockey and football skills.

CURRICULUM

In RE, we will be learning about what pilgrimage meant to individuals and communities.

In Computing, we will be exploring significant computer scientists.

In PSHE, we are looking at building and maintaining positive friendships.

In French, our topic will be Je Me Presente (presenting myself).

In Design Technology, we will be building structures.
