

Year Three

Welcome to Autumn 1

MATHS

We will be building on what we have already learned about place value, addition and subtraction and multiplication.

Please continue to support your children with Numbots and TTRockStars at home.

HISTORY

Rockin' through the ages!

Children learn that early humans lived a very long time ago, during a time called the Stone Age. They will learn that these early people were the first to make and use tools to help them survive. These tools, along with discoveries like fire and cave art, played an important role in how early humans lived, worked and communicated.

ENGLISH

Our new writing units are based on the books 'The First drawing' and 'Nen and the Lonely Fishermen'. There will be lots of opportunities for short burst writing.

We will also be working hard to improve our spelling and handwriting.

PE

Please ensure that your child has their P.E kit in school on their P.E days.

Mrs Edwards' class- Monday and Thursday
Mr Ashraf and Miss Brooksbank's class- Monday and Friday

CURRICULUM

In year three, we start to learn to speak **French**. We will learn some simple classroom commands. We will also learn how to introduce ourselves in French.

In **art**, we will be using different materials to create some cave art.

We will be making seasonal tarts in our lessons.

In PSHE, we will be discussing friendships.

SCIENCE

In science, we will be learning all about skeletons and how our bodies move.

We will also learn about diet and nutrition.

KEY DATES

Wednesday 3rd September.
Meet the teachers. 3.30pm
