

STOKES WOOD
PRIMARY SCHOOL

Year Four

Welcome to Autumn 2

MATHS

We will be building on what we have already learned about addition/subtraction and multiplication/division. There will also be a unit on measurement. Please continue to support your children with TTRockStars at home.

ENGLISH

Our new writing unit will be based on the 'The Selfish Giant'.

There will be lots of opportunities for short burst writing.

We will also be working hard to improve our spelling and handwriting.

Please ensure that you are reading with your child at least four times a week.

SCIENCE

In science, we will be studying states of matter (solids, liquids and gases) and conducting melting and evaporating experiments.

GEOGRAPHY

In geography, we are going to be learning about where in the world volcanoes occur, why they happen, why people might choose to live near them and how people prepare for and deal with the effects of a volcanic eruption.

PE

Children will be participating in outdoor and adventurous activities, and tag games

CURRICULUM

Art: we will be improving our skills of observation, sketching, shading and using different grades of pencil.

PSHE: we will be discussing bullying and how to prevent it.

Computing: we will learning about how digital devices work.

Music: children will be using the Charanga music unit 'Exploring feelings when you play'.

R.E: we are continuing to study pilgrimage and what it means to the Hindu and Muslim communities.

KEY DATES

Monday 17th November and
Wednesday 19th November
Parents Evenings.
