

Stokes Wood Primary School intends to use the Language Angels scheme of work and resources to ensure that we offer a relevant, broad, vibrant and ambitious foreign languages curriculum that will inspire and excite our pupils using a wide variety of topics and themes. All pupils will be expected to achieve their full potential by encouraging high expectations and excellent standards in their foreign language learning - the ultimate aim being that pupils will feel willing and able to continue studying languages beyond key stage 2. This medium term plan provides an overview and key outcomes for each unit. Various Units have been selected to help with the transition of languages from primary to secondary. The four key language learning skills; listening, speaking, reading and writing will be taught and all necessary grammar will be covered in an age-appropriate way across the primary phase. This will enable pupils to use and apply their learning in a variety of contexts, laying down solid foundations for future language learning and also helping the children improve overall attainment in other subject areas.

Year 3

Outcomes: These units teach the children very basic phrases and nouns in French with the aim of providing them with a solid foundation before progressing to more challenging and ambitious units. The children will also explore the patterns and sounds of language through songs and rhymes and link the spelling, sound and meaning of words.

Unit 1 Starting to work on our memory skills so language is remembered after the lesson and trying to remember some/all spellings from memory. Learning to always look for cognates first (such as bleu for blue) and associating word and phrases to images to help.	Unit 3 Learning to listen more carefully and for longer periods of time repeating what we hear with improving accuracy. Using gestures and images to help us understand more of what we hear in French.	Unit 5 We will work on improving our memory skills so that we remember the animals in French after the lesson. Remembering to always look out for cognates (such as lion) and using pictures to help. Learning how to build a short simple sentence in French using the personal pronoun (je) with a conjugated verb (suis), an indefinite article/determiner (un or une) and a noun (in this unit an animal).
