

# Stokes Wood Primary School Yearly Science Overview

	Nursery	Reception	Year 1	Year 2
Unit 1		Seasonal changes - autumn	Animals, including humans Senses	Plants Snap Science: The Apprentice Gardener
Unit 2	Seasonal changes - autumn	Space – day and night, light and dark	Seasonal changes Seasons and weather	Animals, Including Humans Snap Science: Growing Up; Take Care
Unit 3	Seasonal changes - winter Changes of state – water/ice (penguins)	Seasonal changes - winter Changes of state – solid to liquid and reverse	Everyday materials Materials and introduction to animals	Animals, including Humans Snap Science: Our Changing World
Unit 4	Seasonal changes – spring Life cycles - chicks	Seasonal changes – spring Life cycles – butterflies Sorting materials	Animals, including humans Animal antics	Living Things And Their Habitats Snap Science: What Is In Your Habitat?
Unit 5	Animals Properties of materials (3 Little Pigs)	Growing and planting	Plants Plant detectives	Use Of Everyday Materials Snap Science: Materials Good Choices
Unit 1	Seasonal changes – summer Forces – floating, sink, rolling and sliding linked to transport	Seasonal changes – summer Weather and forces – kites	Plants	Use Of Everyday Materials Snap Science: Materials Shaping Up

	Year 3	Year 4	Year 5	Year 6
Unit 1	Rocks Snap Science: Rock Detectives	Animals, Including Humans Snap Science: Where does all the food go?	Forces Snap Science: Feel the Force	Living Things and their Habitats Snap Science: The Nature Library
Unit 2	Light Snap Science: Can you see me?	Electricity Snap Science: Switched On	Living things and their habitats Snap Science: Circle of Life	Evolution and Inheritance Snap Science Everything Changes
Unit 3	Forces and Magnets Snap Science: The power of forces	Animals, Including Humans Snap Science: Human Impact	Properties and changes of materials Snap Science: Get sorted!	Animals, including humans Snap Science: Body Pump
Unit 4	Animal, including humans Snap Science: Amazing bodies	States Of Matter Snap Science: In A State	Properties and changes of materials Snap Science: Marvellous Mixtures Snap Science: All Change	Light Snap Science: Light up Your World
Unit 5	Plants Snap Science: Our changing World Snap Science: How does your garden grow? (Part 1)	Sound Snap Science: Good Vibrations	Earth And Space Snap Science: Earth and beyond	
Unit 6	Plants Snap Science: How does your garden grow? (Part 2)	Living Things and Their Habitats Snap Science: Our Changing World	Animals, including humans Snap Science: Reproduction in Plants and Animals	Electricity Snap Science: Danger! Low Voltage
