Risk Rating.

The Risk Rating process is provided for guidance only. It is the risk assessors' evaluation of the risks that is important, and this may differ from the result indicated by the risk rating matrix. Even after taking the risk rating into consideration employers still have a duty to ensure that sufficient and adequate control measures are in place to ensure that any remaining risks are kept as low as is reasonably practicable.

General Principles of Control	There is no 'one size fits all' off-the-shelf suite of control measures to suit every school or circumstance. The control measures are based upon the principles of, <ul style="list-style-type: none"> • Avoiding contact with those who have symptoms. • Frequent hand cleaning & good Respiratory hygiene practices. • Regular Cleaning of settings. • Minimising contact & mixing Even where these principles cannot be adopted in full, even a partial adoption of them would be beneficial in reducing the risk. It should also be remembered that more than one of the principles can be adopted simultaneously. https://www.gov.uk/coronavirus	The wearing of respiratory protection (face masks) in schools is NOT expected to be a routine control measure for adults where no specific risk has been identified. However, the School will support any individual who chooses to wear one. Appropriate respiratory protective equipment/face masks are to be considered where effective separation cannot be maintained if dealing with a suspect case; This would normally be to the standard of a Fluid Resistant Surgical Mask. However, if dealing with a child with complex medical needs where aerosol generating procedures are performed an FFP3 standard face mask should be worn, for which face fit testing (FFT) must be completed beforehand. Other appropriate PPE may also be required – refer to latest government guidance
--------------------------------------	--	--

What are the Hazards ? (What can go wrong)	Who might be Harmed & How ?	Existing Control Measures (What are you already doing to manage the hazards/risks?)	Additional Controls Required (Where the existing controls are insufficient to reduce the risk to an acceptable level) Use the scoring table below to assist in planning actions.	Action By Who ?	Action By When ?	Additional Action Completed (Initials)
Catching / Spreading	Staff, Pupils, Visitors Governo rs	<p>Any member of staff without a full vaccination that has arrived after 14th August from an Amber listed country will not be able to attend on the 23rd Teacher training day. They will quarantine for 10 days at home.</p> <p>The same rules will apply to pupils and families.</p> <p>See full guidance on the link opposite.</p> <p>Twice weekly Lateral Flow Testing for Covid 19 is now available for persons to carry out at home.</p> <p>Ongoing - Rapid Result Tests (Lateral Flow Tests) Rapid Result Tests (Lateral Flow Tests) are available for All Schools to conduct weekly testing of Staff, and Secondary School age Pupils in order to help detect those who are carrying the Covid 19 virus without displaying symptoms. The testing available consists of two Lateral Flow Tests taken at home each week, 3 to 4 days apart. <i>Upon initial return to School in the Autumn 2021 Term Secondary aged pupils will be expected to undertake two on-site Lateral Flow Tests.</i> The requirement for continued weekly testing for Staff and Secondary aged pupils will be reviewed at the end of September 2021. Pupils aged 12 to 17 are to be supervised by an adult whilst taking the tests, and Pupils aged 11 are to have the tests administered by an adult (Pupils aged 18 may self-administer the tests).</p>	<p>https://www.gov.uk/guidance/how-to-quarantine-when-you-arrive-in-england</p> <p>Guidance on infection prevention and control for COVID-19 https://www.gov.uk/government/publications/wuhan-novel-coronavirus-infection-prevention-and-control</p>			

The On-Site testing facility will remain in place (although potentially reduced in scale).
For Pupils, the completion of 3 supervised On-Site tests is a pre-requirement to permit home testing.

Although encouraged (and consent is required for on-Site testing) this testing is voluntary.

Lateral Flow Test Results

A negative result will allow the tested person to remain in school.
A positive result will require the tested person start a 10-day self-isolation period and undertake a Confirmatory Covid 19 PCR Test as soon as possible (within 2 days).
The use of public transport should be avoided where possible by the person testing positive.

The results of the PCR Test determining whether self-isolation is to continue [positive result], or if the person can return to School [negative result within 2 days of LFT Test]. Household members of the person testing positive are also required to self-isolate for 10 days.

Where tests are carried out at home the results must be reported to NHS Test and Trace as soon as the test is completed either online or by telephone as per the instructions in the home test kit.

Issuing of home test kits to Staff are to be recorded in an Issue Log, and results of home tests are to be recorded in a separate Results Register.

Results for tests taken at School will be recorded & reported in line with current School test logging protocols.

LATERAL FLOW TEST INCIDENT REPORTING

Incidents regarding LFT testing are to be reported as follows.

Home testing Clinical Incidents to –

<https://coronavirus-yellowcard.mhra.gov.uk> & the School Management.
Home testing Non-Clinical Incidents to - NHS Test & Trace Service Telephone N° 119 & the School Management.

Incidents in School to -
It is important that all incidents related to testing are recorded, including void results.
Serious incidents, including those that require immediate pausing of all testing on site, should be escalated immediately to the DfE helpline.

Incidents that disrupt testing and/or could potentially impact quality or safety of testing and cannot be resolved locally should be reported to the DfE helpline.

Any other incidents that disrupt testing in any way, but that are resolved locally, should be reported to DfE through the Incident Reporting Form on www.Gov.uk. DfE will escalate issues to DHSC through the clinical governance process for rapid testing as required.

DfE Coronavirus Helpline 0800 0468687.
Records of all incidents are kept.

Welfare facilities are provided which contain suitable levels of soap and hand sanitiser.

All persons to wash hands with soap regularly and thoroughly, for at least 20 seconds. Hands should then be dried using disposable towels etc, which should be disposed of into the bins provided.

Tissues will be provided for employees, SEN & early years children, along with bins provided for their disposal.

All persons should use a tissue when coughing or sneezing and then place the used tissue in the bin before washing their hands.

If a tissue is not available coughing or sneezing into the crook of the elbow, with

	<p>washing hands afterwards is an acceptable alternative.</p> <p>Contact with personnel suspected of having caught COVID-19 will be avoided.</p> <p>All persons are reminded to not touch their eyes, nose or mouth if their hands are not clean.</p> <p>Any existing individual risk assessments (disability, young persons or new / expectant mothers) to be reviewed.</p> <p>Follow good respiratory hygiene and skin cleaning hygiene measures at all times.</p> <p>Should persons disclose if personnel living with them are self-isolating, they should be encouraged to do the same for 10 days as per Government guidance.</p> <p>Ensure frequent hand washing/sanitising is carried out by all persons throughout the day, including as examples -</p> <ul style="list-style-type: none"> • Before & after eating or handling food. • After sneezing, nose blowing & coughing or using tissues. • When accessing frequently touched surfaces & shared areas. • Before & after touching the face. • Upon returning home. <p>After washing, hands should then be dried using disposable towels etc, which should be disposed of into the bins provided.</p> <p>For pupils regular hand washing / sanitising would also include washing / sanitising their hands, on arrival, after breaks, before & after lunch, after using the toilet and when changing rooms (Younger children & SEN pupils may need additional support & encouragement or supervision for this).</p> <p>Clear signage and information is to be displayed reminding all persons of hygiene and hand washing requirements.</p>				
--	--	--	--	--	--

	<p>This information should also be easily understandable to small children where necessary.</p> <p>Parents, Visitors & Contractors, etc are to be informed of the COVID 19 safety precautions of the School (Based upon Government Guidance and this risk assessment).</p> <p>An Outbreak Management Plan / Contingency plans are in place to revert to a greater level of Covid 19 control measures (possibly based upon previous risk assessment controls) should this be advised by Public Health due to local outbreaks. These contingency plans include the provision of remote learning for pupils where this becomes necessary.</p> <p>This risk assessment and any safe systems of work must be communicated to staff before they start work and be available in school.</p> <p>The SLT are to ensure that a system is in place to monitor and enforce the Covid 19 safety arrangements identified in this risk assessment.</p> <p>Employee support services (Occupational Health Service / Amica etc) are available to discuss any concerns employees may have directly related to their health, and to provide appropriate support. The full range of support available is identified in the Schools Wellbeing policy.</p> <p>Staff continually monitor pupil wellbeing, and take appropriate measures as necessary</p> <p>Clinically Extremely Vulnerable Staff are able to return to School if their work cannot be done at home. If attending site these staff may wish to take additional Covid 19 precautions if required (e.g. limiting close contacts etc), and as agreed in their individual risk assessment.</p>	<p>Extremely Vulnerable Persons https://www.gov.uk/government/publications/guidance-on-shielding-and-protecting-extremely-vulnerable-persons-from-covid-19/guidance-on-shielding-and-protecting-extremely-vulnerable-persons-from-covid-19</p> <p>Identification of Clinically Extremely Vulnerable https://www.gov.uk/government/publications/guidance-on-shielding-and-protecting-extremely-vulnerable-persons-from-covid-19/guidance-on-shielding-and-protecting-extremely-vulnerable-persons-from-covid-19</p>			
--	---	--	--	--	--

	<p>Clinically Extremely Vulnerable Pupils are able to attend school unless it is advised by their medical support team that they should be shielding.</p> <p><i>Although persons from the Black, Asian & Minority Ethnic (BAME) community, or those who possess other recognised high risk factors, are not officially categorised within the Clinically Vulnerable Group, due to their greater statistical likelihood of contracting the virus, it is recommended that they be considered for control purposes to be within this group.</i></p> <p>An individual risk assessment will be carried out for any person who considers that the control measures in place are insufficient for their personal circumstances.</p> <p>Individual risk assessments will also be carried out to determine the safety measures for those working with pupils who spit uncontrollably or use saliva as a sensory stimulant.</p> <p>Non-legislative additional control measures for consideration based upon Government Expectations & Recommendations.</p> <p>The Government expects and recommends that all non-exempted persons would wear face coverings in crowded areas where they come into contact with others they do not normally meet.</p> <p>The Government expects and recommends that a gradual resumption to full workplace attendance will be practised.</p> <p>All Staff are expected to use their own personal judgement in adopting additional control measures to minimise their own exposure risks to Covid 19.</p>	<p>covid-19/guidance-on-shielding-and-protecting-extremely-vulnerable-persons-from-covid-19#cev</p>			
--	---	--	--	--	--

		<p>All persons are expected to limit close contacts as far as is reasonably practicable with those persons they do not normally live with (i.e. considering the frequency, duration & numbers of contacts).</p> <p>As meetings outside are less prone to virus spreading, the government expectation is that meetings outside would be prioritised over meetings indoors.</p> <p>Consideration may be given to maintaining records of staff, visitor & contractor attendance for NHS Test & Trace purposes.</p>	<p>The leadership will consider the Covid situation on a daily/weekly basis .</p> <p>Parents will be asked to leave site immediately.</p> <p>Face to face meetings will be only conducted where necessary and face masks worn.</p> <p>Staff meetings will take place face to face but will be risk assessed before each one depending on the covid situation in the city, nationally and in school.</p>			
<p>Suspected case whilst working on site or positive PCR test</p>	<p>Staff, Pupils, Visitors, Governors</p>	<p>When a person develops symptoms compatible with COVID 19 (A high temperature, a persistent cough, or a loss or change to the sense of taste or smell) they should leave the site to start a 10 day self-isolation period and undertake a PCR Test as soon as possible, and make the appropriate NHS Test & Trace notification.</p> <p>The use of public transport should be avoided where possible.</p> <p><i>The school holds a stock of self-testing kits that are available for use where it is considered that this would increase the likelihood of the test being taken.</i></p> <p>Household members of the symptomatic person are also required to self-isolate for 10 days.</p> <p>Where a person tests negative for COVID 19 they can return to school (<i>Unless the PCR Test was taken as a result of a positive Lateral Flow Test, but within the self-isolation period over two days later than the LFT Test</i>).</p> <p>Where a person tests positive for COVID 19 they should go home and self-isolate for 10 days (or longer if the high temperature symptom continues).</p> <p>The use of public transport should be avoided where possible.</p>	<p>Check if you have coronavirus symptoms https://www.nhs.uk/conditions/coronavirus-covid-19/check-if-you-have-coronavirus-symptoms/</p> <p>Cleaning Guidance https://www.gov.uk/government/publications/covid-19-decontamination-in-non-healthcare-settings/covid-19-decontamination-in-non-healthcare-settings</p>			

The NHS Test & Trace system will take steps to identify close contacts of the person tested positive and instruct them to self-isolate for 10 days as appropriate. (*In exceptional circumstances, the School may be requested to assist in identifying close contacts*).

With Effect From 16 August 2021 Those persons under 18 Years old who are identified as close contacts by the NHS Test & Trace system will not be required to self-isolate, but will be advised to undertake a PCR Test and will only be required to self-isolate if they themselves then test positive.

With Effect From 16 August 2021
If a member of staff has been fully vaccinated and are identified as a close contact with a person who has tested positive, they will not be required to self-isolate, but will be advised to undertake a PCR Test and will only be required to self-isolate if they themselves then test positive.
If not fully vaccinated they will be required to self-isolate for 10 days.

Household members of those close contacts, or other close contacts who have not been contacted by the Test & Trace system, do not need to self-isolate unless they themselves later receive a positive test result, develop symptoms themselves, or the affected person later tests positive and they are then informed to do so by the NHS Test & Trace system.

If several positive cases are identified within a 14 day period, this may indicate an outbreak, and in these circumstances the School should contact the DfE Advice Service (Helpline Number 0800 0468687 Option 1). Public Health England's Local Health Protection Teams will then conduct a rapid investigation and will advise the school on the most appropriate action to take (such as implementing Outbreak Management Plans).

If a person receives a positive Covid 19 PCR Test result or displays symptoms - A high temperature, a persistent cough, or a loss or change to the sense of taste or smell they should:

- Notify the Headteacher immediately.
- Avoid touching anything.
- Go home immediately (Children accompanied by their parent, etc).
- All other persons are to maintain a safe distance from affected individual.
- If they need to cough or sneeze this should be into a tissue which is then put into a bin, or if they do not have tissues, cough and sneeze into the crook of their elbow.
- Areas occupied and equipment used by the affected person are to be thoroughly cleaned and disinfected, with the waste materials stored securely, double bagged, for 72hrs before disposal.
- They must then follow the guidance on self-isolation & testing and not return to school until their period of self-isolation has been completed or have received a Negative PCR Test result.

Where persons have been in contact with someone who has been taken unwell with Covid 19 symptoms they do not need to go home to self-isolate unless they develop symptoms themselves, or unless the affected person later tests positive and they are informed to do so by the NHS Test & Trace system.

		<p>They should wash their hands thoroughly after the contact. Hands should then be dried using disposable towels etc, which should be disposed of into the bins provided.</p> <p>If a pupil with COVID 19 symptoms needs to remain at School until collected they should be located in a room separated from all other persons with the window open if possible, but with the door closed (A local decision should be made regarding whether or not adult supervision is required in the room). A separate toilet facility should be used if necessary.</p> <p>Staff should keep 2m away from the pupil where possible. If a member of Staff needs to attend to the pupil by physical contact, PPE appropriate to the level of contact should be worn (Gloves, apron, face mask & eye protection as necessary).</p> <p>The toilet, room used, and any PPE used should be cleaned and disinfected after use. Arrangements should be made for the parent etc to collect the child, and only under exceptional circumstances is school transport to be used to return the child home.</p> <p>Remote learning is provided to pupils who are self-isolating, and where they are well enough to participate.</p>				
<p>Travel off site</p>	<p>Staff, Pupils Governors</p>	<p>Children must not board home to school transport if they or any member of their household has Covid 19 symptoms.</p> <p>Where possible, open vehicle windows for increased ventilation.</p> <p>If the vehicle is being used to transport a child with Covid 19 symptoms, wherever possible,</p> <ul style="list-style-type: none"> • Use a vehicle with a bulkhead for segregation. • The driver and the passenger should maintain a distance of 2 metres from each other. 				

		<ul style="list-style-type: none">• The driver should wear PPE, and the passenger should wear a face mask if they are old enough to do so.• The vehicle should be cleaned & disinfected afterwards.• Tissues should be used if coughing/sneezing and recommend using plastic bags for collection and disposal of tissues/waste PPE• Handwashing/sanitising before and after transport activities and when disposing of waste. <p>On dedicated transport,</p> <ul style="list-style-type: none">• Hands are to be sanitised on boarding & disembarking Frequently touched vehicle surfaces are to be cleaned after each journey, and enhanced cleaning carried out at the end of each day.• Drivers are to have access to and use hand sanitiser throughout the journey and after assisting passengers.• Children are to be encouraged to carry & use tissues on home to school transport. If used, these will need to be disposed of into a covered bin, either on board the vehicle or upon arrival at school.• Ventilation is to be maximised (i.e. opening windows).• The vehicle is to be regularly cleaned. <p>External Visits,</p> <ul style="list-style-type: none">• The Covid 19 safety measures outlined in this risk assessment, and those of the venue being attended are to be complied with as far as possible during external visits.• Overseas visits are not recommended to be undertaken until the start of the Autumn 2021 Term.				
--	--	---	--	--	--	--

<p>Arriving at and leaving from school site</p>	<p>Staff, Pupils, Visitors Governors</p>	<p>Any persons who are showing any of the signs of COVID -19 may NOT come to school.</p> <p>Hand cleaning facilities or hand sanitiser should be available at the entrances/exits and throughout the school and should be used by all persons when entering and leaving.</p> <p>Common contact surfaces in reception, office, access control and delivery areas e.g. screens, telephone handsets, desks, are to be regularly cleaned, particularly during peak flow times.</p> <p>Visitors All visitors & contractors are to be made aware of site rules.</p>	<p>School staff are recommended to meet parents outside for daily communication at the classroom door and to maintain a 2 metre distance wherever possible.</p>			
<p>Contamination within internal areas and Classroom use</p>	<p>Staff, Pupils, Visitors Governors</p>	<p>All persons are to wash & dry/sanitize their hands upon entering classrooms.</p> <p>Strict hygiene rules to be implemented, all staff to be asked to do the following:</p> <ul style="list-style-type: none"> • Wash hands on entry and regularly thereafter. • Use alcohol-based hand sanitiser. • Wash hands if face is touched. • All hand contact surfaces to be regularly cleaned. <p>Try to avoid working with paper/other materials that are shared in a way that may aid transmission, i.e. consideration to be given to marking work (done electronically), photocopying, etc.</p> <p>Equipment, Activities and resources</p> <ul style="list-style-type: none"> • Limit the use of shared resources. • Staff & pupils have their own allocated individual frequently used resources such as pens & pencils. • All equipment & resources are to be regularly cleaned (including IT equipment), and equipment & resources that are shared between 	<p>marking out areas so to provide a clear means of maintaining 2m distance</p> <p>When outside their own classroom (in corridors or other areas of the school) or when impossible to maintain a 2 meter distance from other adults within the classroom, all adults should wear a face-mask.</p> <p>All adults should wear masks in the car park and in the outside areas of the school when parents are on site and if unable to maintain a 2 meter distance from other adults.</p>			

		<p>groups are cleaned between each use.</p> <ul style="list-style-type: none"> • Pupils should be reminded only to bring essential items into the school. <p>Singing activities or playing brass or wind instruments is permitted with the following conditions,</p> <ul style="list-style-type: none"> • Voices are not be raised unduly. • Where possible musical instruments should be cleaned by the pupils using them. • Participants are not sharing instruments. • Good levels of ventilation are provided, with preferably the activity being carried out outdoors. • Where larger groups or choirs are singing the ventilation rate should be at least 10l/sec per person. <p>For advice on practical school science, D&T, etc. see https://www.cleapss.org.uk/</p> <p><i>As an alternative to cleaning between each use, equipment & resources etc could be removed and quarantined for 48hrs (or 72hrs for items containing plastics) between use by different persons/classes/groups – But putting resources out of use for extended periods and the potential for premature unauthorised reuse needs to be considered.</i></p> <p>Doors may be propped open to reduce contact points and increase ventilation, provided fire safety, security & safeguarding requirements are not compromised.</p> <p>Fire doors only held open by the use of devices that automatically release them in the event of a fire alarm activation.</p> <p>Ensure occupied rooms are well ventilated, opening windows where possible (<i>The School management may need to give</i></p>	<ul style="list-style-type: none"> • natural ventilation – opening windows (in cooler weather windows should be opened just enough to provide constant background ventilation, and opened more fully during breaks to purge the air in the space). Opening internal doors can also assist with creating a throughput of air • natural ventilation – if necessary external opening doors may also be used (as long as they are not fire doors and where safe to do so) • . <p>Children can wear an extra sweatshirt or fleece (not necessarily uniform as long as appropriate for school)</p> <p>https://www.cleapss.org.uk/</p>			
--	--	--	---	--	--	--

	<p><i>careful consideration to how far to open windows when rooms are occupied & unoccupied for the maintenance of thermal comfort).</i></p> <p><i>Ventilation systems that use a mix of recirculated and fresh air, or single room recirculating units are acceptable, and the use of desk fans etc may help to prevent pockets of stagnant air.</i></p> <p>Desk or ceiling fans can be used provided that the area is well ventilated but they should not be used in poorly ventilated areas.</p> <p>Before starting a lesson indoors, consider if it could be conducted outside instead.</p> <p>Bins are to be provided in each main room to collect used tissues, and are emptied regularly.</p>				
<p>PE: infection spread through close contact or equipment</p>	<ul style="list-style-type: none"> • Pupils must wear their own PE kit only plus the school PE shirt which will be allocated to them for the year and washed frequently by the school. • Children must wear suitable footwear, preferably trainers or plimsoles. • Where equipment is used, each child should have their own which should be thoroughly cleaned with disinfectant before being used again. <p>Priority is to be given to outdoor PE activities over indoor ones.</p> <p>Only Team Sports where national governing bodies have developed guidance (and have been approved by the Government such as those on the list of available grassroots sports) are to be undertaken, and the control measures identified in that guidance adopted.</p>	<p>Specific guidance on sports can be obtained from https://www.afpe.org.uk/</p> <p>Grassroots sports guidance for 1st April 2021</p> <p>Coronavirus (COVID-19): grassroots sports guidance for safe provision including team sport, contact combat sport and organised sport events - GOV.UK (www.gov.uk)</p>			

		Where lessons are taken inside or outside, the same ventilation, and hand washing protocols etc should be adopted			
Contaminati on in Outdoor Areas		External play equipment if used, should be cleaned after each use. Hand washing & drying facilities are to be provided at the entry/exit points to the playground, and all persons are to wash their hands upon entering and leaving the playground.			
Work planning	Staff pupils	The use of shared resources (i.e. stationery & equipment) is to be limited, and each item regularly cleaned upon change of user. Where SEN pupils are attending School the actual measures to be adopted for each case should be determined by a review of each pupils Health Care/ Support Plan/ Risk Assessment, and considering the individual circumstances of each case.			
Cleaning	Staff, Pupils, Visitors Governors	A cleaning schedule will be implemented throughout the site, ensuring all areas and equipment are all thoroughly cleaned at least twice per day, focussing on frequently touched surfaces. Cleaning protocol is as follows: <ul style="list-style-type: none"> • A combined detergent disinfectant solution or chlorine-based cleaner is to be used. (COSHH assessment required) • Extra attention is to be given to frequently touched areas and surfaces, e.g. doors, toilets, door handles, phones, light switches and door fobs, etc. • Hand towels and hand wash are to be checked and replaced as needed by the Premises Officer and cleaning staff. • Enhance the cleaning regimes for toilet facilities, particularly door handles, locks and the toilet flush, etc. 	Cleaning Guidance https://www.gov.uk/government/publications/covid-19-decontamination-in-non-healthcare-settings/covid-19-decontamination-in-non-healthcare-settings Additional cleaner will work throughout the Autumn Term 2021 during the day to clean frequently used areas, toilets and touch surfaces.		

	<ul style="list-style-type: none">• Cleaners are to wear disposable or washing-up gloves and aprons for cleaning - (if cleaning a heavily contaminated area eye and respiratory protection should also be used).• Where Covid 19 contamination is suspected or identified the waste cleaning materials and used disposable PPE should be double-bagged, then stored securely for 72 hours then thrown away in the regular rubbish after cleaning is finished• When disinfecting, use disposable cloths, to first clean hard surfaces with warm soapy water, then disinfect the surfaces.• Cleaners are to wash & dry their hands after removing the PPE. <p>Only cleaning products supplied by the school are to be used (Suppliers may need to be notified if additional stocks are necessary).</p> <p>Bin liners should be used in all bins and bins emptied daily.</p> <p>External play equipment is to be included in the cleaning regimes.</p> <p>Where cleaning has been identified in the risk assessment this is normally with standard products such as detergents & bleach. If Covid 19 contamination is known or suspected, then the cleaning should be followed by disinfecting (using chlorine based products). <i>Although disinfecting may also be carried out routinely as an assurance measure.</i> Alternative cleaning & disinfecting methods may be appropriate in some circumstances (e.g. after known contamination), but these should only be carried out following control measures developed from a separate risk</p>				
--	---	--	--	--	--

		assessment and in consultation with the product suppliers.			
Deliveries & Waste collection.	Staff, Pupils, Governors Delivery drivers, Waste collection operatives	<p>If practicable drivers should wash or clean their hands before unloading goods and materials.</p> <p>Hands are to be thoroughly washed & dried after handling all deliveries or waste materials.</p> <p>Waste bags and containers - to be kept closed.</p>			
Contractors	Staff, Pupils, Governors Contractors	<p>All contractors are to wash their hands upon entering the site.</p> <p>Strict hygiene rules to be implemented, all contractors are to be asked to do the following:</p> <ul style="list-style-type: none"> Wash hands on entry into individual work areas – or use alcohol-based hand sanitiser. Repeat the hand washing/sanitising regularly. <p>The contractor is to notify the premises staff of all areas visited, in order that these can then be thoroughly cleaned.</p> <p>Contractors & Third Party Organisations working on site are to have their own COVID 19 risk assessments and safe systems of work which are compatible with the school COVID 19 arrangements, or are to comply with the schools arrangements.</p>			
Poor hygiene	Staff, Pupils, Visitors Governors	<p>Wash hands thoroughly and regularly. Use soap and water for at least 20 seconds.</p> <p>Hands should then be dried using disposable towels etc, which should be disposed of into the bins provided.</p> <p>Use alcohol-based hand sanitiser if soap and water is not available and hand washing technique to be adopted as directed by NHS guidance.</p> <p>Avoid touching your face/eyes/nose/mouth with unwashed hands and cover your cough</p>			

		<p>or sneeze with a tissue then throw it in the bin.</p> <p>Provide additional hand washing & drying facilities where necessary.</p> <p>Regularly clean the hand washing facilities and check soap and sanitiser levels.</p> <p>Provide suitable and sufficient rubbish bins for hand towels with regular removal and disposal.</p> <ul style="list-style-type: none"> • Sites may need extra supplies of soap, hand sanitiser and paper towels and these should be securely stored 				
Canteen use - exposure from large numbers of persons	Staff, Pupils, Governors	<p>Hand cleaning facilities or hand sanitiser should be available at the entrance of any room where people eat and should be used by all persons when entering and leaving the area.</p> <p>Where catering is provided on site, where possible food served or displayed should be individually wrapped to avoid contamination. Touching multiple items before making final selection should be discouraged. Food displays should be protected against contamination by coughing, sneezing, etc).</p> <p>Any cutlery provided should be handed out by staff wearing gloves or allocated separately to users and not provided in communal storage where users select their own.</p> <p>Payments should be taken by contactless methods wherever possible.</p> <p>Drinking water should be provided with enhanced cleaning measures of the tap mechanism introduced.</p> <p>Where possible, Kitchen windows should remain open to increase ventilation (Fly-screens should be fitted).</p>	<p>Leicester City Catering are providing school dinners</p> <p>Food is cooked on site and all hygienic practices are undertaken as recommended in the Leicester City Catering risk assessment.</p>			

		<p>Tables and chairs should be cleaned between each use.</p> <p>All rubbish and waste should be put straight in the bin by the user and not left for someone else to clear up.</p> <p>All areas used for eating must be thoroughly cleaned at the end of each break and shift, including chairs, door handles, vending machines and payment devices</p>			
Use of Changing facilities, showers	Staff, Pupils	<ul style="list-style-type: none"> • Introduce enhanced cleaning of all facilities throughout the day and at the end of each day • Provide suitable and sufficient rubbish bins in these areas with regular removal and disposal. • Bin liners should be used in all bins • Wash & dry hands/santatise before and after using the facilities. 			
Lack of awareness	Staff, Pupils, Visitors, Governors	<ul style="list-style-type: none"> • Posters will be displayed in the welfare areas and in suitable places around site to remind everyone about social distancing, hygiene and handwashing requirements. <p>This information should also be easily understandable to small children where necessary.</p> <ul style="list-style-type: none"> • Constant reminders will be given to all staff and pupils on site, parents, visitors and contractors, warning them of the risks posed by the virus as well as the control measures outlined in this assessment and from government guidance. This will include informing personnel of the known symptoms. 			

		<ul style="list-style-type: none"> Staff are to challenge any person not adhering to the control measures within this risk assessment. 				
First Aid Provision	Staff, Pupils, Visitors, Contractors, governors	<p>When physical contact is necessary PPE appropriate to the level of risk is to be worn (Gloves, face mask, apron, eye protection).</p> <p>Upon completion of first aid, thoroughly wash & dry the hands and any points of contact, and clean & disinfect the affected area.</p> <p>If dealing with a child with complex medical needs where aerosol generating procedures are performed an FFP3 standard face mask should be worn, for which face fit testing (FFT) must be completed beforehand. Other appropriate PPE may also be required – refer to latest government guidance for the procedure</p>
