"At Stokes Wood Primary School the health and safety, safeguarding and promoting the welfare of all children is of paramount importance."

Welcome back everyone! I do hope you all had some relaxation and family time.

I hope you enjoyed seeing the children and staff on the TV on Wednesday as well some of our parents. I have had numerous positive messages about you all and feel most proud to be part of Stokes Wood Primary School. The BBC TV reports are on the school facebook page and the written report is on this link:

<https://www.bbc.com/news/uk-england-leicestershire-58324802.amp>

Thank you to teaching, office, IT and premises staff for preparing the school for the new term. It has been challenging to get everything completed as there have been several renovations (new hall floor), ECO improvements (LED lighting) as well as numerous repairs and cleaning jobs too. We got there however, in the nick of time!

Emmanuel receiving his friendship award from last academic year: congratulations!

Look at the 4 trophies on the table behind. These were won by Y3, Y4, Y5 and Y6 year groups in the summer term. Stokes Wood pupils were City Champions in the Tri Golf in all 4 year group competitions. Well done!!
