"At Stokes Wood Primary School the health and safety, safeguarding and promoting the welfare of all children is of paramount importance."

Lest we forget!!

*Each class made a wreath and paraded round the school at 11am on Thursday 11th November. The class representatives left their wreaths at the Peace Garden whilst Mr Hill played the Last Post on his Bugle. It was a poignant scene as each of us remembered those who gave so much for our futures. **We will remember them.***

COVID..... Please read

Many of you will be aware that there have been quite a few positive cases in school this week, generally in class clusters. If your child has been a close contact, then you will have been contacted and advised what to do.

Adults and children can help by taking lateral flow test regularly and following the advice if you or your child are notified as being a close contact (get a PCR test).

Thank you for your support. We really want to keep the school running as normally as possible.
