"At Stokes Wood Primary School the health and safety, safeguarding and promoting the welfare of all children is of paramount importance."

A big welcome to our youngest pupils who returned to school this week. They all settled very well into school and are enjoying the refurbished learning environment in the Early Years base. The Early Years staff have been working really hard to refresh all the resources and it looks amazing. There are lots of photos on the school facebook. Well done and thank you!

If you enjoyed Beat the Street, see below: **FREE FAMILY ACTIVITIES ON THE PARKS IN SEPTEMBER.**
