"At Stokes Wood Primary School the health and safety, safeguarding and promoting the welfare of all children is of paramount importance."

What an amazing afternoon Year 1 had this week when King Richard 111 visited Stokes Wood Primary School. All the children dressed up as soldiers and acted out the Battle of Bosworth using all the battle tactics of creeping around the back of the enemy and swapping to the winning side when things did not go well! It was very noisy but did they have fun!! I'm sure they will remember that lesson for a long time 😊

Boys football:

There was some excellent play on Monday this week from Stokes Wood, losing 1, winning 2 and drawing 1. We only concede 1 goal all evening. WE will wait to see if we have got enough points to proceed to the semis. Well played everyone!

Superstars visited Manor Farm on Thursday. They fed lambs, collected eggs, sat on a tractor and experienced snow, sun and rain! One lamb had been born 2 hours before they arrived. They then warmed up in the farm kitchen.

4 lucky boys were chosen to attend a football coaching session with Leicester City FC at the new training ground at Seagrave. They represented the school very well and of course enjoyed the experience.
