The Early Years Foundation Stage children had an exciting visit from our friend PCSO Smith and his Police van and his police friends. The children learned that the police are very important and we can call them when we need help. They loved exploring the van and hearing the siren of course! And who is that handcuffed in the back of the van?

Look what fun the nursery children are having in their PE lessons with British Cycling! I've also spotted Mr Laverick riding the mini bikes! 😊

Year 4 have been using both DT, Geography and Science skills and knowledge to devise an earthquake alarm system. Some of them looked very sophisticated. I think year 4 pupils should think about becoming designers and engineers.

Year 4 have also been very active in Forest School with Mr Laverick, making forest people!!
