"At Stokes Wood Primary School the health and safety, safeguarding and promoting the welfare of all children is of paramount importance."

3 boys qualified for the National Parallel Athletics Championships held in Coventry last Saturday. Travie, Ethan and Harley came back with gold and silver medals galore. Very well done! Thank you to Miss Pollock and Mr Laverick who supported the children.

The Year 3 choir visited the Abbey Care Home and made the residents very happy with their wonderful singing.

And the spectacle of the Week, month, term, year was the Year 6 extravaganza the performance of Cinderella Rockerfella. Anyone who saw it, will know that words cannot fully describe the amazing performance, singing, dancing, jokes, limericks, comedy, costume, scenery and so much more. We are all so proud of our lovely Year 6 and we wish them well in their future education. Who knows, we may see some of them on the TV, stage and film in years to come!
