"At Stokes Wood Primary School the health and safety, safeguarding and promoting the welfare of all children is of paramount importance."

French Charity Café.

Well done to Miss Master, Miss Pegg, Mrs Dunkley and Miss Berrill who supported our school council to put on a wonderful French style café. Members of Superstars also helped. Nearly everyone brought a cake and a drink and those who forgot their £1 had biscuits back in class, donated by a very kind family member of one of our pupils. "Merci beaucoup!" to all who donated cakes. We all had a great time. Thank you so much! We'll let you know how much we raised next week.

Year 1 had a wonderful time at Gorse Hill Farm Park this week, learning about habitats and what animals eat. They enjoyed a picnic and walked all the way there and back. Well done Year 1!
