"At Stokes Wood Primary School the health and safety, safeguarding and promoting the welfare of all children is of paramount importance."

*Internet Safety Altru Drama Theatre Performance and workshops.*

*KS2 learned a significant amount about how to keep themselves safe on line. It was a fun and interactive performance with a VERY SERIOUS MESSAGE. Parents, please ask your children about it. The Y6 then took part in further workshops. We hope that the experience prevents our children engaging in unsafe practice on-line including cyber-bullying, being groomed and giving out personal information without realising it.*
