"At Stokes Wood Primary School the health and safety, safeguarding and promoting the welfare of all children is of paramount importance."

*Well done to children, staff, governors and parents who supported the school in the recent OFSTED visit. It is much appreciated. Parents will be proud to know that the children really impressed the inspector with their work, behaviour and the way they were able to speak confidently with her. The published report may not be available until after the summer holiday.*

## Liz Kendall MP visits Stokes Wood Primary School

On Thursday, Leicester City Football Club in The Community worked with Year 4 in a very special event which included Forest School, multi skills and some PSHE activities. Our usually friends from LCFC were present, Glenn, Mr Turney, Emma and Alex but in addition there were 2 guests from the Premier League and Liz Kendal, the MP from North West Leicester. Year 4 of course represented our school very well and were great ambassadors for Stokes Wood.

## Nursery/DSP trip to Manor Farm
