"At Stokes Wood Primary School the health and safety, safeguarding and promoting the welfare of all children is of paramount importance."

It has been another busy and very successful year for everyone at Stokes Wood Primary School. All pupils, staff, governors, parents, families and friends should be extremely proud of what the school community has achieved as a team this year.

Test results have been outstanding; well done to all year groups who took national tests and assessments. By Year 6 our children are achieving above the national average for their age. Sporting successes have been excellent as usual, and we will miss Mr Laverick when he leaves but will endeavour to maintain his high standards. We will receive the final draft of the OFSTED report when we return after the Summer, and we are confident this will contribute to our many achievements of 2022-23.

We say a fond and sad farewell and thank you to several members of staff: Mrs Bodicoat and Mrs Meadows in the office, Mr Laverick, Mrs Hatcher, Miss Bailey, Mrs Dunkley and Mr Toogood (governor). All have worked at Stokes Wood with commitment and loyalty, helping to make the school the success it is. We will miss them all and wish them a very happy retirement for some and good luck in their new jobs for others.

*May I wish everyone involved with Stokes Wood Primary School this year my sincere thanks and a very happy and safe summer break.
Mrs Gadsby.*

Grow Your Own Grub Competition.

The Menu—Top 3 schools (each achieved 100%)
Inglehurst Junior School, St Patrick's Voluntary Academy and Stokes Wood Primary School.

Primary Leadership

| Year Group | Number of Leaders |
|------------|-------------------|
| Y2 | 25 |
| Y3 | 32 |
| Y4 | 10 |

2 Year 4 pupils, Tony and Gabby were nominated for the Plastic Clever Pupil Voice Award for their Plastic Clever Project. They also delivered an assembly which is being used by Picture News. They won...so congratulations!

Mr Rob Osborn, one of our governors came into school and talked to children about his recent trip to Alaska and Canada. The children found it very interesting hearing about cruise ships, glaciers and a lot about wildlife. He even gave them shark teeth and stickers

Pupils of the Year:

Alihassan Akbari and Aaron Biju
