"At Stokes Wood Primary School the health and safety, safeguarding and promoting the welfare of all children is of paramount importance."

On Wednesday everyone took part in a DT focus day combined with the 6Rs and British Values or as the children decided... Stokes Wood Values! There were some fantastic DT projects undertaken, ranging from ECO models to bird boxes, vehicles to yummy cool wraps. They all took some resilience, teamwork, resourcefulness, thought, risk taking and creativity which fitted in well with our 6Rs superhero character muscles. We also discussed how we use democracy, rules, freedom and respect in our everyday lives at school and at home.

Dates for your diary

Y4 children went to mini tennis development event on Wednesday. For most of them it was a new skill to learn and they had to show the qualities of perseverance and determination in order to get some success. Well done!

Year 4 children had a wonderful day at Bradgate Park on their Geography field work trip. They learned about land usage and physical geography as well as investigating the habitats of the animals and plants living at the park as part of the Science curriculum. It was a pity the weather wasn't a bit warmer but at least the children didn't get sun burnt!

Celebration Assembly Pupils of the week are:

Mrs Park: Eleasha Vineed
Miss Carter: Esther-Rose Jis
Mrs Bailey: Rudi Thompson
Mrs Hardyman/Miss Brooksbank: Karson Smith
Mrs Hart/Mrs Farah: Niveditha Ratheesh
Mrs Ciftci: Clara Smith
