Year 4 Health and Well-being Event held at Stokes Wood Primary School.

Our Year 4 pupils were joined by Year 4 pupils from Parks, Inglehurst and Leicester High School. They took part in all sorts of activities including boxing, archery and smoothy making. From what the children said, they really loved the archery!

Our Year 6 sports leaders were helping with all the activities. Feedback from teachers and staff as well as the coaches from Inspire Together said that the leaders were excellent and the Year 4 participants were also. Well done everyone!

SEND Athletics

Superstars and a number of other pupils competed at Saffron Lane. Well done everyone!

Clean Air Day

Thursday was Clean Air Day. We had an assembly about it on Friday. We want to improve the air by using petrol/diesel vehicles less, walking and cycling more, reducing the use of fossil fuels.

Make some changes

Try to make some simple changes to help the environment.

- Use a refillable water bottle.
- Walk, skate, scoot or ride your bike.
- Wrap up warm rather than turning up the heating.
