"At Stokes Wood Primary School the health and safety, safeguarding and promoting the welfare of all children is of paramount importance."

*The whole school took part in our Remembrance Day Parade where we remembered all those who have given their lives for freedom and peace. The children carried wreaths and poppies and read out and sang their wishes for peace in the world.*

*Diwali to all our families celebrating this weekend. Enjoy the fireworks and fun.*

A polite reminder that Stokes Wood is a **NO SMOKING OR VAPING** school, so there should be no smoking or vaping once anyone has come through either of the school gates.  
Many thanks for your continued support.

As part of their physical development and learning about the local community the nursery children walked to the local park. As you can see, they had great fun. Lots of smiles and laughter.

Year 4 visited the Gurdwara as part of their Religious Education curriculum. Over their time at Stokes Wood, pupils visit a range of Places of Worship: a Hindu Mandir Temple, a Sikh Gurwara Temple, a Catholic Church and an Islamic Mosque. All the children and staff wore head coverings and were made very welcome. They learned a great deal about Sikhism and the artefacts in the Gurdwara.

The girls displayed exceptional teamwork and determination throughout the tournament. (You don't often see football played in coats during a competition! 😊 Well done for taking the initiative rather than not playing at all.)

Peace by Khalisah Akhtar- Year 6 written for the

Remembrance Parade.

Peace is probably one of the most complicated things in the world,  
 Everybody wants it, just maybe in different forms.  
 Peace doesn't come quick,  
 Not from when we were born.  
 We have to accept each other and our rights,  
 Accept situations and learn how to deal with them,  
 We must learn how to feel, deal and then ultimately heal.  
 It takes patience, maturity and responsibility,  
 It takes time.  
 Understand it won't happen in an instant,  
 Everybody wants it, even people who commit crimes.  
 Soldiers have risked their lives,  
 They have fought long and hard.  
 Sacrificed their own peace within them,  
 To help make world peace, they left themselves scarred.  
 So how is it fair that we can just sit there,  
 Laughing at people, even if you think it may not cause harm?  
 They will forgive , not forget  
 At least try to make the world calm.  
 Peace is what we are all seeking,  
 So work as a team,  
 Turn it into a reality,  
 Not just a dream.
