"At Stokes Wood Primary School the health and safety, safeguarding and promoting the welfare of all children is of paramount importance."

This week was Anti-bullying Week where we were stressing the importance of making a noise about bullying so that if someone is being bullied, a trusted adult or friend can help to sort it out. Don't suffer bullying in silence... tell someone and STOP bullying happening. KS2 worked with a drama company on the practical application of anti-bullying strategies. Year 5 also took part in some workshops after the excellent performance.
