### Layer-up, Power-down day.

Thank you for supporting this day showing that Stokes Wood is committed to taking action regarding climate change. Staff and children are taking daily action to reduce our energy use (switching off lights, maintaining classroom temperature so it is comfortable, solar panels, air source heat pump, reducing paper and printing waste etc)

## ECO Roadshow

The children had a great morning learning how we can save energy, about animal habitats and bug hunting. The children think we should build some hedgehog houses and teachers should have less things up on their windows! Mr Smith is buying covered notice boards to put notices in, instead of on windows.

## Stokes Wood Christmas Fayre
