"At Stokes Wood Primary School the health and safety, safeguarding and promoting the welfare of all children is of paramount importance."

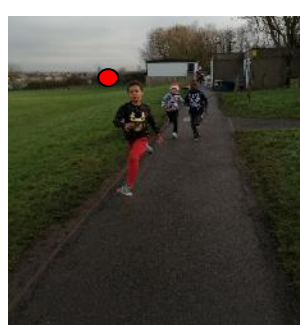

*Ahhh... How lovely! Our reception and nursery children retold the Christmas story beautifully in a production called Prickly Hay. They sang, danced and spoke up really well even though they are so young to perform in front of so many people. Well done to the whole EYFS team, children and staff.*

### Christmas Dinner

We served over 400 dinners!! Santa visited too. Thank you to the kitchen staff and school staff and governors who helped serve and clear away. It was delicious!! It was also Christmas Jumper day. Thank you for donating to Save the Children. Your donations will help the charity support children in war zones and in all areas of the world that desperately need support for vulnerable children. We raised £165  
The Santa Dash made up the Christmas hat trick! All the children dashed round the daily mile in their Christmas jumper and Santa hat. The staff donated all these presents to the local community hub for New Parks children
