"At Stokes Wood Primary School the health and safety, safeguarding and promoting the welfare of all children is of paramount importance."

*Well played all 3 teams in our first competition of this academic year.*

*Thank you to Leicester City Football Club in the Community for providing the mini bus to get the boys to the tournament in the morning and Mr Makwana and Mr Hill for helping transport in the afternoon. The boys' team performed well with many positives. We didn't win overall but we showed resilience and enjoyed the matches with plenty of things to work on for next time. The girls' team came 3<sup>rd</sup> overall. They said the pitches were very big but it was amazing fun! Sorry there is no boys' photo this time.*

As part of the ADHD (Attention, deficit, hyperactivity disorder) ki came 3<sup>rd</sup> overall. They said the pitches were very big but it was amazing fun! Sorry there is no boys' photo this time. Remark the school holds we are able to offer advice and experiences for parents and careers whose children have ADHD, are on the pathway for ADHD or parents who would like more information on ADHD.

Please let the office know if you would be interested in taking part in any of the experiences below, talk to Miss Pollock and Mrs Hardyman for more information.

EXPERIENCES FOR PARENTS AND CARERS

All About ADHD    123 Magic    Medication

**Dates for your Diary**

### School Council Environmental Review

The school council worked with Laura Barke from ECO schools to look at what the school is doing well and what we could work on.

The areas we scored highest are:

The areas we need to work on are:

Waste and recycling, including food waste

Energy

Making sure we are making the most of our outside environment (wildlife etc)
