"At Stokes Wood Primary School the health and safety, safeguarding and promoting the welfare of all children is of paramount importance."

Today the Year 2 children and staff had a wonderful day at Twycross Zoo learning about the habitats of the animals and how the animals are adapted to survive in the habitats where they live. For example: how do penguins survive the extreme cold of the Antarctic?

Year 4 Welcome Event
10 year4 children attended a physical activity event at Goals today (Friday).
As you can see, they had great fun!

Can you help?

We would welcome donations of new or nearly new underwear (pants) to use when pupils have accidents. Please drop them in at the school office.

Many thanks.

Family Outdoor Activity Event.

Well done to all the families who braved the rain and completed all the activities. They collected loads of litter, despite the fact children litter pick every week!

They all had great fun in the Forest School, building shelters.

Mr Sorby organised a great orienteering course and Mrs Ciftci got soaked organising basketball and other fun games on the playground.

It was well worth it though and everyone enjoyed hot dogs and cake afterwards.... Well deserved. 😊

Thank you to Ela, Miss Stone, Mr Sorby, Mrs Ciftci, Mrs Wakeling, Mrs Furborough and Miss Williams who helped me organise it.
