"At Stokes Wood Primary School the health and safety, safeguarding and promoting the welfare of all children is of paramount importance."

Internet Safety Week

What an eye-opener for some of us adults! The drama performance and follow up workshops really brought home what children are facing every day on line and how we, as adults need to give them the tools and the support to keep themselves safe. As well as being a great learning experience, it was great fun too! That is how we all learn best 😊

Mrs McCulloch's class and 2 members of Superstars entertained us with a wonderful Djembe drumming performance. It was amazing! So professional

Last week Mr Hill and 14 year 3 pupils attended a special Safer Internet event at Leicester City in the Community Trust at the King Power stadium. They took part in lots of different activities and workshops.

Congratulations to Ziva who won the Picture News Bank Note design competition.

Picture News said ... We've unanimously decided that the winner is Ziva Smith! 😊 "We like the motivational messages – good for promoting mental health"

Lifesavers said ... We like this one because Ziva has gone mad with the colours so it really stands out ... plus Ziva has made sure to put some good motivational messaging on there ... Aim High ... Achieve. And then has the all-important financial understanding link ... We love the idea of a bank note with 'Don't spend it ... save it!' written on it! 😊

Year 6 pupils were really lucky to experience the use of VCRs as part of Safer Internet Day activities. When you put the headset on, it as if you are there in the video. The children saw a glimpse of education in the future!!
