Is there anything you would like to tell or ask Mrs Gadsby or the Governors that would help them improve the school further?

Year 5

More playtime equipment **Mrs Gadsby will ask the school council to do a survey to find out what you would like.**

More waste bins outside **Mr Bhana will order a few more**

Swimming lessons every year **This would be great, but there is no other times available at the pool**

Room to relax when stressed. **Children can ask to go to the family room if they need to. Please talk to Ela.**

Lolly pop lady near bottom gate. **This is a good idea. It will cost money though but we will consider it.**

More lunchtime staff to listen to pupils (mental health). **Lunchtime staff are all in use at present. Ela is available and Miss Spradbury on Mon, Thurs and Friday if you wish to talk to someone.**

Quality of school dinners (hard chips, cold potatoes and other cold food) **I will report this to Sam Winzar in the kitchen.**

Calm area during lunchtimes. **Could you explain whether this is outside or inside?**

Larger gym. **This would be great but not possible at present.**

More activities on the field at playtimes. **We have football games, running about games and daily mile...**

Bigger classrooms. **Again, great idea but not possible at present.**

Year 3

More school trips. **These cost the school and your parents money so we try to keep trips to 2 and make sure they are relevant to the curriculum.**

More vegetarian options. **I will talk to Sam Winzar in the kitchen.**

Year 4

Sometimes children are mean and even when teachers tell them, they still do it. **You must continue to tell an adult. Tell Mr Brown or Mrs Gadsby.**

Year 6

More time to eat hot dinners. Yes sometimes you don't have much time, but less chat would help!

A suggestion box: **Good idea!**

More opportunities to do the daily mile ... When are you thinking? You do it every day!

Different clubs: swimming, volleyball, hockey, girls basketball, boxing, judo, all year cricket, forest school, art and cooking club. **I will let Mr Laverick know your requests.**
