

## Parent Survey outcomes October 2024

23 parents responded to the Ofsted survey and the outcomes were in the vast majority, very positive. We hope that the fact that only a small proportion of parents responded, those who did not respond are satisfied with the school. If you are not satisfied, please get in touch so that we can try to support you and your child.

There are a few less positive responses. We are unable to contact you as we don't not know who has responded but we encourage you to speak with us if we can help improve the school experience for your child.

All parents will receive a prospectus and Key Stage handbook by email when your child is admitted. The handbooks are resent at the beginning of each Autumn Term. These will give you all the information you need which is referred to in question 5. If you have any questions which are not answered in these documents, please ask your class teacher. You can also find lots of information regarding the curriculum and other aspects of school on the school website.

I would like to assure you that we have high expectations for all children, in their work and behaviour. If you have any concerns about this or about bullying, please contact Mrs Gadsby, Mrs Ciftci, Miss Williams or Ela Sawicka.

If you have concerns regarding the support your child with SEND is receiving, please contact Mrs Woods and or Mrs Gadsby.

All parents have the opportunity to attend 2 parents' evenings a year, one in October and one in March. If you are not able to attend either of these, you can make an appointment through the office at another time or you can receive a phone call from your child's teacher. You will also receive a written report at the end of the summer term.

Our commitment is to do our very best for every child and we want to work with parents to ensure all children achieve their potential by the end of Y6.

### Summary of responses:

1. My child is happy at this school. **83% agree (4% don't know)**

13. . The school supports my child's wider personal development. **83% agree**
14. I would recommend this school to another parent. **83% agree**

**Additional parent comment:**

These are things that I think Stokes Wood do very well:

- Care for my son in the best possible way, enabling him to be included in everything- even if this can be a challenge to him. (SEN)
- Build upon my son's interests- My son is such an outdoor child, and this is met exceptionally well.
- Follow my child's lead at drop off time- changing their own routines in the morning to enable a smooth drop off for my son.

I'd also like to add that son is still in nappies due to delay in development & having SEN needs, this was my biggest worry for him but this has been made so manageable and his teachers are super caring and attentive to his each and every need! I'm so happy!

Also, we are addressed so positively in the mornings and afternoons by the teachers/staff at the bottom gate- even in pouring down rain- so jolly and know my sons name already!! Only been coming a month!!!!

Things I feel could just be improved are a few more photos and posts on my son's evidence me- I'm a nosey Mum and love to see his adventures and every little target because we have been long awaiting these alongside his SEN difficulties.

THANK YOU STOKES WOOD- you are all AMAZING!!
