

MINI POLICE

Stokes Wood Primary School Mini Police Team News Letter 2023

What We Have Learnt

As Mini Police, we have been learning about how to help the community. We have learnt a lot about internet safety, including bullying and friendships online.

We have also learnt about police officers and what their jobs involve. We have spoken about the requirements to be a police officer and the jobs that police officers do when they are on duty.

As Mini Police, it is our job to do our best, be kind and helpful and to work hard.

Who we have met and what we have seen

Whilst completing the Mini Police programme, we have met lots of different people.

- PCSO Smith runs our sessions and helps us to learn.
- Sergeant Waka helps run the Mini Police programme.
- We met other PCSO officers who have helped with our learning.
- PC Sam taught us about what police officers do when they are working, what they have to wear and what they have to eat.
- We met the people who live in Abbey House Residential Home and made them cards to try to make their days better!

MINI POLICE

Mini Police RSPCA food collection challenge

Our next mission as Mini Police is to complete a fund-raising event to help the community. Instead of raising money, we have decided to collect dog food for the RSPCA.

We are hoping to meet the police dogs who help the officers very soon!

We are going to be challenging the Beaumont Leys Police Station to see who can fill a bin of dog food first!

Police are not just there to arrest people! They are there to keep people _____.

The police have to keep _____.

If you had an emergency, you should call _____.

FUN FACT! Even though police officers are stereotyped to eat doughnuts, they have to eat healthily to stay fit! However, the local station has a 'doughnut tax' where the officers have to buy doughnuts if they so something silly!
